*Manifestations of Abundance of Rains*

**June 17, 2025**

### **Abundance in the Wilderness**

*Then the lame shall leap like a deer, And the tongue of the dumb sing. For waters shall burst forth in the wilderness, and streams in the desert. The parched ground shall become a pool, and the thirsty land springs of water; in the habitation of jackals, where each lay, there shall be grass with reeds and rushes.*  
**Isaiah 35:6–7 (NKJV)**

*He turns a wilderness into pools of water, and dry land into watersprings.* **Psalm 107:35 (NKJV)**

In seasons of wilderness—times marked by dryness, confusion, and lack—God proves that He is not limited by environment or circumstance. The wilderness often represents life’s most barren and challenging moments. Yet, it is in these very places that God delights in demonstrating His power to provide abundance.

When there seems to be no hope, He makes a way. When there is no water, He brings streams from dry ground. When the soul is weary and resources scarce, He shows Himself as the All-Sufficient One. God's abundance doesn't depend on favorable surroundings—it flows from His nature.

God turns deserts into pools, and parched land into springs. He causes life to sprout where death once ruled. As we trust Him, even the wilderness becomes a place of overflow. Do not despise your desert; it is a setup for supernatural manifestation.

### **Prayer**

*Dear Father, thank You for being my source in every season. Even when I walk through dry and barren places, I trust in Your ability to bring forth abundance. Turn my wilderness into fertile ground. Let streams of refreshing, provision, and restoration flow into every dry area of my life. In Jesus' name, Amen.*

### **Declaration**

*“I declare that my wilderness is turning into abundance. God is making streams in my desert and refreshing every dry place in my life.”*
