Manifestations of Abundance of Rains

June 18, 2025

A Time to Flourish

*The righteous will flourish like a palm tree, they will grow like a cedar of Lebanon; planted in the house of the Lord, they will flourish in the courts of our God. They will still bear fruit in old age, they will stay fresh and green. **Psalm 92:12–14 (NIV)***

*All the trees of the forest will know that I the Lord bring down the tall tree and make the low tree grow tall. I dry up the green tree and make the dry tree flourish. I the Lord have spoken, and I will do it. **Ezekiel 17:24 (NIV)***

In the season of abundant rain, God's design is not just to water the ground but to cause His people to flourish. To flourish means to thrive, to bloom, to be fruitful, and to prosper in all aspects of life. Those who stay rooted in God become strong, enduring, and grow continually.

Flourishing is not determined by natural strength, status, or appearance. God can cause the least likely to rise and prosper. This means even if your past has been dry and your present seems barren, the rain of God's favor can change everything.

This is your time to flourish—not just in spiritual vitality, but in relationships, purpose, ministry, and even business. You are rooted in God's presence, and the showers of His favor are falling. Open your heart, spread your roots, and expect growth beyond your limitations.

Prayer

Dear Father, thank You for this season of rain and restoration. I believe this is my appointed time to flourish. Let Your Word water every dry area of my life. Uproot every mindset or hindrance that keeps me from growing. Help me to stay planted in You, so I may bear fruit in every season—even in my latter years. I receive Your refreshing, Your favor, and Your increase in Jesus' name. Amen.

Declaration

"I am planted in the Lord and I will flourish. This is my time to grow and manifest God's abundance. What God has spoken over me will not fail!"
